Sissach, 21<sup>st</sup> of November 2016**Confirmation**

Dear Sir or Madam

Please be advised that the below mentioned currently delivered Georg Fischer JRG products meet the lead content restrictions set forth in the Reduction of Lead in Drinking Water Act, having equal to or less than 0.25% lead content for surfaces in contact with potable water:

- JRGURED 1300 Series; Pressure Reducing Valve LF
- JRGUMAT 3400 Series; Thermoblending Valve LF
- JRGUTHERM 6320; Flow Regulator LF

The management system of Georg Fischer JRG AG is certified according to ISO 9001-2008, ISO 14001-2004 and OHSAS 18001-2007 from the SQS with the certificate no. 10684 (Issue date: 28/05/2015).

The above mentioned valves meet the specifications in the Georg Fischer JRG catalogue.

If you have some further questions, please feel free to contact the factory-authorized sales agent for your area, Harper Control Solutions Inc (855-364-4100).

Yours sincerely

Georg Fischer JRG AG
